

Private Practice Essentials

Are you looking to enhance your psychotherapy practice or feel more ready to join the ranks of those in private practice?

Redbird Therapy is hosting a FREE series highlighting some of the key aspects of running your practice that you don't learn in school.

We have an amazing line-up of five workshops with seasoned clinicians and professionals that can support our work as therapists.

- 1** January 11: Liane Wood - **Proactive Psychotherapy: Meeting CRPO Standards with Confidence**
- 2** February 22: Ann Rogerson - **Crafting Connection: Navigating your Social Media Presence as a Psychotherapist**
- 3** March 7: Liane Wood - **Private Practice 101: Your Blueprint to Psychotherapy Practice Success**
- 4** March 28: Kyle Watters & David Reine - **Navigating Financial Success: Strategies from Your Accountant and Wealth Advisor**
- 5** April 18: Lisa Catallo - **Thinking about Starting a Group Practice?**
